1 · style: centre

Set where the object style puts it.

2 · style: bottom

Set where the object style puts it.

3 · style: insets 18 pt

Set where the object style puts it.

4 · style: 2 columns

Two columns from the object style: this paragraph runs long enough to fill the first column of the frame and carry on into the second, where it ends a few lines down. Neither the column count nor the gutter is written on the frame itself.

5 · style: first baseline cap height

Set where the object style puts it.

6 · style: centre, category off

Set where the object style puts it.

7 · style: centre, frame: top

Set where the object style puts it.

8 · based on 1

Set where the object style puts it.

9 · based on 1, category off

Set where the object style puts it.
